

WHAT TO BRING

ELECTRIC SCOOTER ADVENTURE

-Suitable outdoor clothing

-Closed shoes are essential

-Sun glasses can help keep dust/dirt out of your eyes (plus you'll look cooler on the route!)

-Bringing a bag on route? Make sure it is a small backpack style

-We recommend short waist length jackets

Long jackets; can hang down into the wheels and get muddy; make sure they can zip up

If it's rainy/wet: 

- Bring clothes that can get **muddy** and/or **waterproofs**
- During/soon after heavy rain or when the ground is waterlogged/wet grass = a lot of spray off when we drive!
- We can drive through thickly mudded areas (which can spray up onto you as you drive) so clothes to get very muddy are essential

(changing space available)

If it's cold: 

- Warm gloves very important** (your hands will be exposed on the handlebars)
 - Wrap up very warm (some areas are windy and we are outside for +-1.5hrs)
 - Beanie hats can fit under our helmets
- ***being cold is a reason you may not enjoy your adventure!***

If it's hot: 

- We don't provide drinks; feel free to bring your own (bring a bag!)
- Sun hats/caps recommended (they will fit under our helmets)
- Sun cream recommended!
- When it's dry; it can be dusty (Hay fever medication is recommended for those who need it!)
