Excellent activity. Friendly staff, who provided all the information required in advance, along with some added extras on the history of the area. Would recommend for a corporate team building event, or a group of friends looking for a laugh.

What an amazing & professional experience!! The Whole team at Baboon Adventures could not have been more helpful for our group. From arrival, to briefing and getting onto our vehicles it could not have been any more smoother. Once you have completed the test runs and get onto the estate, it is truly stunning. A really great experience that I will definitely bring the family back to and recommend to anyone!!
