

# WHAT TO BRING

-Suitable outdoor clothing

-Closed shoes are essential

If it's rainy/wet: 

-Bring clothes that can get muddy and/or waterproofs

During/soon after heavy rain or when the ground is waterlogged/wet grass = a lot of spray off when we drive!

-We can drive through thickly mudded areas (which can spray up onto you as you drive) so clothes to get very muddy are essential

(changing space available)

If it's cold: 

-Warm gloves very important (your hands will be exposed on the handlebars)

-Wrap up warm (some areas are windy and we are outside for +/-1.5hrs)

-Beanie hats can fit under our helmets

-Sun glasses can help keep dust/dirt out of your eyes (plus you'll look cooler on the route!)

-Bringing a bag on route? Make sure it is a small backpack style

-We recommend short waist length jackets

Long jackets; can hang down into the wheels and get muddy; make sure they can zip up

If it's hot: 

-We don't provide drinks; feel free to bring your own

-Sun hats/caps recommended (they will fit under our helmets)

-Sun cream recommended!

-When it's dry; it can be dusty (Hay fever medication is recommended for those who need it!)

If its dark:   
(Twilight Adventures)

-Warm gloves are even more important as the temperature drops

-Wrap up very warm
