TEAM BONDING HAS NEVER BEEN SO EXCITING

Team Building

Strengthen workplace bonds as teams share a fun-filled adventure

Memorable Moments

Our guides will capture plenty of action shots, so your team can leave with something to remember.

Mind Boost

Boosts mental health through outdoor fun and competition

Large Groups

We welcome larger groups; can accommodate up to 40 participants simultaneously

ELECTRIC SCOOTER ADVENTURE

On arrival you will meet your guides, sign in and receive your helmets.

Join a safety brief and a test ride with clear instructions from our guides. (+20mins)

The controls are simple and suitable for **all levels of experience**. Get confident in our test ride field before heading on tour.

Your guide will lead you around the area and routes. Drive over 10km of grassy farm paths, muddy tracks, woodland trails, private roads and more, with some awesome sights.

In **Wiltshire**; pass the beautiful Charlton Manor House and hear some of the local history from our guides of the historic 4500 acre estate

In **Hampshire**; see the rolling agricultural hills and dairy herds on the agrofresty 3000 acre estate

Test your skills down our **technical trails** (optional for confident groups) and explore some of the Cotswolds woodlands.

Try out the **awesome electric acceleration** on the open sections and get full speed on the open sections

Keep your eyes open for some of the wildlife; deer, birds of prey, farm animals and more.

Plenty of chances to stretch your legs and take some snaps; on route our guides will take those insta-worthy pictures and videos too.

**QUIET ELECTRIC POWER WITH
SOME SURPRISING SPEED!**

We can take a driver from 12 years, and a passenger from 5 years old. We frequently welcome adult only groups

Absolutely no experience required, with the large majority of our customers coming with **ZERO** previous experience.

WHAT TO BRING

FOR ALL ACTIVITIES

- Suitable outdoor clothing
- Closed shoes are essential

FOR SCOOTERS

If it's rainy/wet:

- Bring clothes that can get muddy and/or waterproofs
- We can drive through thickly mudded areas (which can spray up onto you as you drive) so clothes to get very muddy are essential

During/soon after heavy rain or when the ground is waterlogged/wet grass = a lot of spray off when we drive!

(changing space available)

If it's cold:

- Warm gloves very important (your hands will be exposed on the handlebars)
- Wrap up warm (some areas are windy and we are outside for +-1.5hrs)
- Beanie hats can fit under our helmets

If it's hot:

- We don't provide drinks; feel free to bring your own
- Sun hats/caps recommended (they will fit under our helmets)
- Sun cream recommended!

When it's dry:

- it can be dusty (Hay fever medication is recommended for those who need it!)
- Sun glasses can help keep dust/dirt out of your eyes (plus you'll look cooler on the route!)
- Bringing a bag on route? Make sure it is a small backpack style
- We recommend short waist length jackets
- Long jackets; can hang down into the wheels and get muddy; make sure they can zip up

Tough Conditions: we do have a limited supply of:

Splash suits (disposable overalls) for purchase.
Gloves and Goggles for hire.

THE IMPORTANT STUFF

Full risk assessments available.

£10m public liability insurance.

First Aid trained guides.

VAT invoices available

Full Indemnity form on arrival — (let us know if you'd like it in advance)

ELECTRIC SCOOTERS GOOD TO KNOW

**We recommend to share this
with your group before the day!**

Our guides will cover everything during the test ride!!

We are a safety-focused operation

There are chances to get some speed on our open sections- but will take our time through our more technical/bumpy routes- we are not an extreme activity for ultimate daredevils or 'serious quad riders'!

ADVENTURE RULES

All groups must follow our guides instructions + adventure rules

We will remove participants from tour who do not respect the rules;

- Keep all 3 wheels on the ground (no wheelies/lifting wheels)
- Stay sitting down whilst driving
- Stay behind your guide
- No contact, racing or unsuitable driving

There is a £20 charge for a heavy crash / tip over of a scooter; please drive carefully.

SCOOTER CONTROLS

- Keep both feet on the scooter (Do not put your feet down at any time whilst driving)
- Use both arms for steering; push and pull the handlebars to point where you want to go
- Right hand throttle, twist towards you to go, let go to slow down.
- Left hand for braking (like a bicycle)

TESTIMONIALS

Brilliant time on Baboon Adventures, the staff and our leaders was amazing. We will back soon, i will also recommend it to friends to come with their kids.

Antonios Palaio

Had the best time at Baboon Adventures! The staff are fantastic and what an awesome time we had!! We will definitely be back!

Amie Webb

Excellent activity. Friendly staff, who provided all the information required in advance, along with some added extras on the history of the area. Would recommend for a corporate team building event, or a group of friends looking for a laugh.

Do it!

Jan 2025 • Family

Superb! Great fun. A good mix of bumpy bits, puddles, a woodland section and tracks where you can pick up some speed. The guys were great and very patient. Something for everyone- highly recommend.

What an amazing & professional experience!! The Whole team at Baboon Adventures could not have been more helpful for our group. From arrival, to briefing and getting onto our vehicles it could not have been any more smoother. Once you have completed the test runs and get onto the estate, it is truly stunning. A really great experience that I will definitely bring the family back to and recommend to anyone!!
