Charlton Park Estate

-Please use this sheet to find us

-We do not have lots of signage up + the Estate is very big with 10+ different entrances!

Some GPS routes may try to send you through private estate roads that are not accessible

(the road 'Park Street' past Charlton Church is private + not accessible)

When Turning into the Estate

Make sure you turn into 'Charlton Park Estate Business Park' off the A429 (Crudwell Road)

(Also signed towards 'Auto Barn' + 'Car Wash')

Once in the Estate

Head straight on until the road bears right (+- 150 meters)
(following the high red brick wall on the right)

Follow the brick wall until it ends on right hand side (+- 100 meters) and immediately take small turning right onto gravel track with trees either side of entrance
(yes... it looks like it leads nowhere!)

-Follow this track down (+- 150 meters) until you see the Baboon Adventures' Base (blue shipping containers)

-Parking on your right hand side (opposite the blue containers) next to the brick wall

(If you arrive at the stables/estate office, you have gone too far! Turn around until you arrive back at the high red brick wall)
